### SUMMARY OF THE ROLE

BCG is looking for several experienced professionals to join the Amsterdam team at Consultant level. We're looking for problem solvers who are passionate about developing ground-breaking recommendations across a wide-range of industries and fields. We are open to applications from a wide range of backgrounds and from a variety of industries.

As a core member of the BCG Amsterdam Consulting staff, you will be based at our Amsterdam office working alongside some of the world's top minds in strategy management consulting. You will **advise clients on executive level across a variety of industries and topics** helping them improve or transform their businesses and achieve excellence.

## Main tasks:

You will **collaborate in diverse project teams developing strategic approaches** based on thorough fact-based analyses in order to deliver long-term impact to our clients.

**Working across various industries and topics**, you will be challenged out of your comfort zone, significantly widen your scope of expertise and experience a steep learning curve both professionally and personally. Along this exciting journey you will be **supported by senior mentors, research and knowledge teams and career development experts** who will help you to achieve your personal and professional goals.

## Qualifications:

- PhD degree OR a Master degree (your application would benefit from at least four years of consulting or industry experience).
- Outstanding academic track record from a leading university
- Excellent verbal and written communication skills in **English**
- Current or previous experience in strategy consulting
- Experience of devising and implementing business strategies involving quantitative analysis, conceptualization and communication of strategic solutions
- Exceptional drive and commitment to excellence
- Highly self-driven, and able to think strategically
- High level of agility, eager to develop new skills and areas of expertise
- High level of adaptability to a frequently changing professional and social working environment
